

SALE OF SEASON TICKETS IS PLAN

Moneyed Men Willing to Finance Club Plan Before Chamber of Commerce.

Whether the option held by George Hahn on a Three-I league franchise will be exercised depends upon the Chamber of Commerce, according to announcement last night. The sale of 500 season tickets, books containing a season's admissions transferable, will be necessary, it is declared, to assure certain moneyed men who will back the club of the support of the fans. It is thought the best way to introduce the proposition to the public is through the Chamber of Commerce.

A meeting of the board of directors of the Chamber of Commerce will be held this afternoon will consider the baseball situation, according to Secy U. G. Manning. It is believed the directors will endorse the plan.

George Hahn and E. F. Bailey are other local men who will push the enterprise. The former has always been active in local baseball circles, while Mr. Bailey as manager of the amusement park at Springbrook is deeply interested in the location of a ball club here.

The ticket selling plan is the same advocated last winter when efforts were being made to land a Central league franchise. The tickets may be used by any person in any number. The whole book may be used the first day, for instance, or one a day, just as the owner desires. He may turn his book over to a friend if he wishes.

If the Chamber of Commerce thinks favorably of the movement to give South Bend organized baseball, the ticket selling campaign will begin in the very near future. According to Mr. Hahn, certain men have indicated their willingness to finance the club if 500 season tickets were sold. The Three-I franchise will include the players and may be obtained at a reasonable price, it is said. The owners have named their figures.

"SPEED" WATCHWORD IN NOTRE DAME PRACTICE

Coach Harper Drives Athletes Until Dark—Flinagan Works at Quarter in Dorais' Place.

"Speed, speed and more speed," was the slogan of Tuesday's practice at Notre Dame. The gold and blue coaches drove their men through a snappy signal drill that continued long after darkness had enveloped earlier field. Though it was almost impossible to see the ball, Harper impossible to let up. The varsity team chased up and down the gridiron, tearing through their new formations with a show of speed and snap that delighted the rooters.

Sam Flinagan was at the helm in Tuesday's practice in place of Dorais. The little quarterback received a blow on the leg Monday and was given a rest. His injury is not serious and he will get into the scrimmage that is billed for Wednesday afternoon. Flinagan will probably play part of the game. Christian Brothers came to quarter to permit Dorais some rest before the Texas contest.

All of the local players with the exception of Dorais are in top-notch condition and ready for the remaining big games. Reports from St. Louis say that Eichenlaub will enter the Christian Brothers game a marked man. This news does not concern the gold and blue in the least, for if the showing "Eich" has made in past games counts for anything, the big fullback is well able to take care of himself and can do a lot of damage besides.

Coach Luke Kelly of the Missouri eleven is straining every nerve to defeat Notre Dame. Because of the cancellation of the Wabash game he was unable to see the gold and blue in action, and thus he is preparing his men to meet the best football possible. Christian Brothers have not lost a game this year and backed by thousands of St. Louis football enthusiasts they are going to work hard Saturday to hold Notre Dame at least to a tie score.

EXPECT STRONG QUINTET

Wabash Out For State Honors in Basketball This Season.

CRAWFORDSVILLE, Ind., Nov. 19.—Wabash expects to shine this year in basketball and members of the squad declare they are out for the state championship. Seven "W" men are ready to start the season. Capt. Leffel, Elgin, Shewalter, Peters, Goodyear and Meyers. The one drawback which faces the team is the failure so far to find a suitable floor on which to play. Although the schedule has not been announced, it is rumored that two games are scheduled with Purdue.

NO man should allow himself to appear ill-at-ease or uncomfortable. No matter what the conditions of mind or weather—be right—look right and comfortable. Our clothes will help you to feel easy in mind from the pleasure and satisfaction they give and our overcoats certainly will make you feel comfortable and look right, even on the most blustery days.

DRILL OF MAROONS FOR BADGER BEGUN

Corps of Coaches Begin Work With Chicago Squad in Preparation for Final Step Toward Big Nine Title.

CHICAGO, Nov. 19.—A corps of coaches Tuesday began drilling the University of Chicago eleven for the game with Wisconsin next Saturday with a view especially to eradicating any over-confidence in the Maroon squad. With the championship practically in their grasp, Coach Stagg is fearful lest his men rate the Badgers too low and slump just as Wisconsin hits its highest form.

One critic said the Chicago victory over Minnesota last week was due in a great measure to the superior work of the Chicago tackles.

In the Wisconsin game, the maroon tackles will be opposed by Buck and Butler, perhaps the best pair in their positions in the conference and the advantage Goettler and Shull had at Minneapolis may be lost.

Information from the midway is that while extra endeavors will be made to put the men in good trim, no scrimmage, hard or long enough to risk injury to the men, will take place. As an instance of Coach Stagg's care of his men it was cited that Fullback Pierce has not taken part in a scrimmage since the Iowa game and that Scanlon, a regular guard, has played in only two this season.

A special feature of the week's preparation will be the drill of second string men for Coach Stagg is anxious to have a reliable bunch as substitutes. Some of them who will be regulars next year, will be given a taste of battle in preparation for the 1914 campaign.

ATHLETES MEET AT "Y" TONIGHT FOR PRACTICE

Final Workout Before Selection of Teams—Captains Will Be Announced Friday Night.

Candidates for the Y. M. C. A. Commercial Basketball league will practice tonight from 7:30 o'clock until 8:30. As the floor will be in use after 8:30 Physical Director Miller requests every player to be on hand at the earliest possible moment. The next practice will be held Friday night when the names of the captains will be announced and the personnel of the teams made up. The final workout before the league opening Nov. 29 will be held a week from tonight.

BIG GAMES IN N. D. FOOTBALL HISTORY—1900.

Following the successful season of 1899 Notre Dame prepared a still schedule for the first year of the new century. Wisconsin, Michigan, Indiana and Beloit, four of the strongest teams in the west, were met and although the gold and blue did not pull out a single victory in these contests her warriors played splendid football at all times.

In the first important game of the season Notre Dame fell before Indiana, six to nothing. The gold and blue were crippled early in the fray but put up a plucky fight to the end. Capt. Farley, who was shifted from end to halfback during this year, starred for the gold and blue. He and his running mate Farragher tore off several long gains against the state team.

Beloit was the next stiff opponent on the Notre Dame program. After a stubbornly contested battle hostilities ended with the count six to six, each team having extended itself to its limit in an effort to win. Diebold at quarter played a wonderful game for the gold and blue. The mighty Salmon, then in his freshman year, was brought forcibly before the notice of Notre Dame fans in this battle. He worked at end and at fullback and scored the gold and blue's solitary touchdown.

In its initial battle with Wisconsin Notre Dame received the worst drubbing of her history. Bewildered and outclassed at every turn the gold and blue was buried under an avalanche of touchdowns, the final count being 54 to nothing.

Undaunted by its terrible beating at the hands of Wisconsin, Notre Dame showed its nerve and grit the following week by playing the great Michigan eleven to a standstill. The Wolverines got the jump on the gold and blue and ran up seven points in the first few minutes of play. After the unfortunate start Notre Dame had things its own way and kept the ball in Michigan territory during the rest of the battle. In this fray the gold and blue was minus the assistance of her star halfback and captain, Farley, and with him in the game the score might have favored Notre Dame.

It was in this battle that Salmon found himself. He battered the Wolverine line to pieces and all but scored. Though he weighed but 165 pounds his line plunging was irresistible.

The season of 1900 marked the coming and passing of two of the greatest players ever turned out at Notre Dame. During that year the unparalleled Salmon made good on the gold and blue team and forced the football world to recognize him as an exceptional player. During that year also Capt. Farley played his last game as a Notre Dame man, leaving behind him a reputation as a hard worker and a clean sportsman that has never been since surpassed.

SHELDON GROOMS INDIANA WARRIORS

Whitaker Will be Back in the Game Saturday—Rooters Gather on Football Field and Display Spirit.

BLOOMINGTON, Ind., Nov. 19.—"That's fine pep," said Head Coach Jimmy Sheldon to a crowd of 500 loyal Indiana rooters who were assembled on the field to rehearse songs and yells for the Purdue game next Saturday. Some of them had insisted called for a speech from the popular little coach.

Right in the midst of a snappy signal drill the varsity men picked Sheldon up and carried him over to the bleachers where he delivered a short speech to the fans, in which he said:

"Old Stars Ready.

"We are going to work very hard this week and I think it'll be worth while for you to visit the field next Saturday. Davis will be back in the game, together with Whitaker and Trout. I am anxious to see the fine spirit of the rooters and hope you will keep it up until after the big game."

In the workout Capt. Davis took his old position in the line and B. Whitaker was on several things he did not play. He will be in the fracas tomorrow. Krause, left end, is still on the sick list, and Minton, a star halfback last season, reported for the first time and was used in Krause's place.

Johnson, who played at halfback against the purple Saturday, had his shoulder badly hurt and is out for the season. Scott will play fullback next Saturday.

LAFAYETTE, Ind., Nov. 19.—The Bollet's began their week's practice when they started to round into shape for the game with Indiana next Saturday. All of the men are in condition except Turner, who is suffering with a cold, and release from his shoulder. In speaking of the game with the Suckers last Saturday, Coach Smith stated that he is confident that Illinois was familiar with the purple signals, and that several things occurred during the game to confirm his suspicions.

In view of this condition, the signals for the purple eleven are being changed and will be different Saturday from anything used previously. The squad was given a stiff workout on signals and formations, after which it held a snappy scrimmage. Two new plays were given to the squad in which the men showed up well for the time the plays have been worked.

MORDECAI BROWN MAY BE FEDERAL MANAGER

Pres. Gilmore of Chicago Club Says Only Terms of Contract Remain to be Settled.

CHICAGO, Nov. 19.—Mordecai Brown, the famous three-fingered pitcher of the Chicago Nationals and Cincinnati, may take the management of the Chicago Federal league team. In a story published here Tuesday Brown is quoted as saying that a representative of the Chicago Federals has made him an offer and Pres. Gilmore of the local club said a question of terms only remained to be settled.

Brown is said to have been promising conditionally to release from Cincinnati by Pres. Herrmann provided he could get a managerial berth. The pitcher said he was still able to take a turn on the mound occasionally.

AMERICA WINS FIRST IN CHARGERS CONTEST

NEW YORK, Nov. 19.—America won the first two places and the fourth, the third going to Great Britain, Tuesday afternoon in the International contest for army chargers at the National Horse show at Madison Square garden. "Peppy," a chestnut gelding, exhibited by the Mounted Service school, and ridden by Lieut. J. F. Talbot, Second cavalry, took the blue ribbon award. "Deceiver," exhibited by the same school and ridden by Lieut. Waldo G. Potter, first field artillery, was second, and Col. P. A. Kenna of the British army took third place with his bay mare "Harmony". Fourth place went to "Bristol", exhibited by the Mounted Service school and ridden by Capt. L. R. Ball, Sixth cavalry.

Clarence H. Mackay carried off the blue ribbon in the class for two-year-old hackney stallions with "Lord Burns". Edward B. McLean's "Alarm" won the blue in the class suitable for heavyweight hunters.

WILL NUMBER PLAYERS SUNDAY

Fans Will Have No Trouble Following Play of Huebners and Wabash—Working Daily.

Daily workouts in preparation for their clash Sunday at Springbrook park are being held by the Huebners and the Wabash A. A. eleven. The locals had a representative at the Prior-Wabash game at Ft. Wayne last Sunday and the information gleaned from his study of the downstate style of attack is being used to strengthen the locals' defense. Several new faces may be seen in the Huebner lineup Sunday, it is expected. The fans will be able to follow the plays closely Sunday as the players will be numbered and programs of identification issued. The largest football crowd of the season is predicted because of the prominence of the visitors. The latter are a uniformed team. On the field they wear blue shirts with white numbers sewed on the back. Each man has a blanket marked with white numbers on which the name of the team, W. A. A., and the player's initials and his position are indicated. Off the field they wear white felt hats, white athletic shoes and blue sport coats, carrying out the scheme of their colors, blue and white.

TENER SAYS HE WILL ACCEPT BASEBALL JOB

Governor of Pennsylvania Says He Will Serve Out Term Before Assuming Duties.

NEW YORK, Nov. 19.—A despatch here Tuesday afternoon from Harrisburg, Pa., quotes Gov. John K. Tener as stating that he had been offered the presidency of the National League and would accept the position, but would serve out his term as governor before assuming his baseball duties. Tener was offered \$25,000 a year, under a four-year contract, according to reports here.

JONES TOO HIGH PRICED.

PORTLAND, Ore., Nov. 19.—Fleider Jones denied that he had negotiated with Brooklyn, although he admitted having had a talk with Charles Ebbets, president of the Brooklyn club, at the minor league meeting in Columbus. "Ebbets made me no offer," said Jones. "You are too high priced a man for me," was his comment, and I told him I would not want to get back in the game unless I obtained a big contract.
